Of Newton, Kansas

September 2011 edition

Brothers,

We have had a busy summer and it looks as if it will continue this fall. At our August Stated Meeting we received a petition on another potential candidate. We will hear the committee report and vote at the Sept. Meeting.

CONGRATULATIONS:

- Our newest Entered Apprentice is Matt Bogner. He received his 1st Degree on August 22nd.
- Jeff Reed & Bryan Stewart received their Fellow Craft degree on August 31st.
- Matt will also be receiving his Fellow Craft Degree on September 12th.
- Congratulations are also in order to Lawrence Clover for his receiving his life membership at the Wichita Scottish Rite at their September meeting on September 6th.
- Our Senior Warden, Mike Williamson, also received his certificate for the completion of the Master Craftsman program (part 1) at the same Scottish Rite Meeting. Mike has also completed the entire Masonic University program offered by the Grand Lodge of Kansas. We are fortunate in that Kansas is one of only 4 states that offer such an education program. They are all very enlightening. If you are interested in either of them, ask Mike.

UPCOMING EVENTS:

- Our September Stated Meeting is September 14th @ 7:30 p.m. A carry in dinner starts at 6:30 p.m. Friends, family, and prospects are welcome to the dinners.
- Sept. 30 & Oct 1st are the dates for the Fall Class at the Wichita Scottish Rite. Because some of the degrees are now longer the class will cover Fri Evening and Saturday. If you know of someone who is interested, now is the time to sign them up. They need more candidates for the class.

- Oct. 1st will be the Warden's School / Secretary School/ Leadership School in Topeka at the Capital Building. Cost \$20 per person. There will be a program for the wives. See THE KANSAS MASON for more details.
- Our Oct 12th meeting will be the official fall visit by DDGM Guy Wright
